## Junior Web Developer | Front-End Developer | Interactive Media Designer

Ottawa, ON K2E 5Z1

[kevasenior@gmail.com](mailto:kevasenior@gmail.com)

+1 753 881 3177

Passionate and detail oriented Junior Web Developer with a strong foundation in front-end technologies and interactive design. Transitioning from a disciplined career as a firefighter to web development, bringing teamwork, problem solving, and reliability to every project. Experienced in creating responsive, user focused digital experiences using HTML, CSS, JavaScript, React, Vue.js, and WordPress. Currently completing the Interactive Media Design program at Algonquin College, developing both design and development competencies for real world applications.

Willing to relocate: Anywhere
